

Guidance D.O.O. (www.guidance.rs) is a Microsoft Certified Silver Partner, based in Belgrade, Serbia.

We have exclusive partnership with a selected set of partners of Microsoft Dynamics 365 Business Central in several Western-European countries. And we are extending in Belgrade our ERP and Microsoft Dynamics 365 Business Central team for developing and customizing their Microsoft Dynamics 365 Business Central based ERP products and solutions.

Guidance d.o.o. is recruiting for **Microsoft Dynamics 365/BC junior developers or trainees** to join our team.

What do we offer?

- A chance to learn from and become a part of a team of honest, competent, professional and friendly coworkers;
- If trainee, to get employed after training period with competitive salary;
- A chance to be a part of a growing multinational company and work with international clients;
- Great environment for personal and professional development;
- A space for fast and efficient professional and personal growth with clear career path;

What are our key requirements for this position?

- Experience in object-oriented environments and/or ERP;
- Proficiency in English;
- Excellent communication and problem-solving skills in multilanguage environment;
- Being a team player;
- Willingness to learn and pickup knowledge and experience from a team of our Senior developers.

What is a plus?

- Knowledge of SQL, PowerShell or any Microsoft Dynamics 365 environment;
- At least Bachelor's degree in engineering, Natural/Technical/Computer science;
- Experience in any programming language;

If you believe that you can contribute our team or wish to learn with a chance to become a part of our team, do not hesitate to contact us with your CV (with a recent photograph) and a cover letter in English, and we will get back to you.

Candidates that show to fit with this vacancy will be invited to an interview.
